SEMINAR IN FORGED HISTORICAL DOCUMENTS
SPRING, 2007
SELECTED BIBLIOGRAPHY

As much as possible, works have been grouped by topic. With the exception of “General” (broad coverage) and “Various” (specific focus) categories, topics are listed in alphabetical order. Items listed in the “General” and “Various” categories commonly contain information on more than one topic. Hence, these sections should be consulted for material on any topic.

All works are in the Perry-Castaneda Library unless specified otherwise.
