Turn It On Again is the first book to document the complete history of this popular and influential band, bringing their story up-to-date while placing them in the context of their time. It explores the relationship between the band and the remarkable solo careers it spawned. Drawing on dozens of exclusive interviews with band members past and present, as well as the musicians’ friends and associates, author Dave Thompson chronicles Genesis’ evolution from progressive-rock visionaries to mainstream rock stars, and the continuing careers of its most famous alumni. (retrieved from Amazon)

"Turn It On Again" is a single by the English rock band Genesis, from their 1980 album Duke. It reached number 8 in the UK Singles Chart. The lyrics, by Mike Rutherford, concern a man who does nothing more than watch television. He becomes obsessed with the people he watches on it, believing them to be his friends. "Turn It On Again" was built from leftovers from projects by each member: The second set of verses was conceived by Tony Banks for A Curious Feeling: "We kind of put [Rutherford's riff]
