The woman crossed Mexico and the border back to Texas and turned herself into Border Patrol to seek asylum. She was held in a privatized detention center in South Texas with her daughter for 4½ months alongside hundreds of other asylum-seeking mothers and their children. Top: Sunflowers dot the banks of the Rio Grande in Laredo, Texas with a view of Nuevo Laredo, Mexico, across the water on Aug. 24, 2017. Check points remained operating during the storm. Bottom right: As the political storm against immigration in Texas made landfall in early September, so did the actual storm. Over a week later, the Buffalo Bayou Park near downtown Houston, Texas, remained flooded from Hurricane Harvey on Sept. 7, 2017. Mexico regarded the land north of the Rio Grande all the way to the Nueces to be Mexico. It was not an invasion. It was not to support their claim. Doc B: Where did the April 24 fight between Mexican and American soldiers occur? The Mexican government did not like Texas annexation by the US government. Many Mexicans did not accept the fact of Texas separation from Mexico. Annexation by the US seemed like theft. Doc C: According to the author, why did a Mexican force attack Zachary Taylor's troops when they arrived at the Rio Grande River? The Mexicans regarded Zachary Taylor's presence along the Rio Grande to be an invasion of Mexican Territory. As El Tiempo said, the Americans were like a bandit. They had to be stopped. For these reasons, the lower Rio Grande area also can claim to be the source of the more typical elements of what we call the culture of the border. Life along the border was not always a matter of conflicting cultures; there was often cooperation of a sort, between ordinary people of both cultures, since life had to be lived as an everyday affair. People most often cooperated in circumventing the excessive regulation of ordinary intercourse across the border. In other words, they regularly were engaged in smuggling. Borders offer special conditions not only for smuggling but for the idealization of the smuggler. This sounds pretty obvious since, after all, political boundaries are the obvious places where customs and immigration regulations are enforced.
