Big Four. The international relations of minor countries are covered in their own history articles. This era covers the
period from the end of the Napoleonic Wars and the The Great War unexpectedly tested their military, diplomatic,
social and
Racism in America didn't end with the Civil War. Though the Reconstruction Era - a period from 1865 to 1877, in which a Republican-led US government attempted to rehabilitate the former Confederate states and incorporate newly freed slaves into the nation - brought about fundamental political rights for a segment of the population that had been enslaved, it also ushered in a period of racial violence and segregation known as the Jim Crow era, which lasted until the 1960s. The Jim Crow era perpetuated racism in America, and life for black Americans after the Civil War was dangerous. For m The history of the United States is what happened in the past in the United States, a country in North America. Native Americans lived in the Americas for thousands of years. English people in 1607 went to the place now called Jamestown, Virginia. Other European settlers went to the colonies, mostly from England and later Great Britain. France, Spain, and the Netherlands also colonized North America. In 1775, a war between the thirteen colonies and Britain began when the colonists were upset over
