All Is Bright

By : Shannon Stacey

New York Times bestselling author Shannon Stacey celebrates the season in these three timeless 
holiday novellas Her Holiday Man Christina Forrester is left raising her young son without any of the 
comforts of their old life. She’s learning to do it all on her own. Well, almost on her own—she’d be 
lost without Gail, the kind widow across the street. And when Gail’s son Will comes home, the 
beautiful and determined single mother awakens something in him he thought was buried forever. 
As Will and Christina are forced to spend more time together, feelings that are more than neighborly 
grow between them. And with Christmas coming and a child filling both houses with holiday cheer, it 
becomes nearly impossible not to embrace the joy—and the love—in their lives. Holiday with a Twist 
Leigh Holloway’s best friend broke Croy Dawson’s heart back in high school, and Croy knows it was 
Leigh’s fault. They’ve never liked each other, but Croy isn’t cruel: he’d never turn away a pretty 
woman in need of some family-Christmas fortification. He doesn’t expect her to drink just enough 
candy-cane martinis to tell him her secrets—and he definitely doesn’t expect to get caught up in her 
holiday madness. Despite the surprising love and laughter, Croy and Leigh can’t escape the truth: he 
can’t walk away from his family obligations and she has a life and career to reboot. But anything is 
possible if your holiday comes with a twist... Hold Her Again Ava Wright isn’t happy to see her high 
school sweetheart rolling into their hometown a few weeks before Christmas. There’s no way she’ll 
be able to avoid him. No one can: he’s become a country-music superstar since going solo and 
leaving Ava behind. Jace Morrow grew up believing “money can’t buy happiness” was something 
people said to make themselves feel better. But now he knows it’s the truth: no matter how many 
number-one hits he has, he’ll never recapture the magic of singing with Ava. Missing her—loving 
her—and living with making the wrong choice in life were what made him who he is. As they fall in 
love all over again, they’re both faced with choices for their future...and this time Jace intends to 
make the right one.

**Icing Isn't Only for Cookies**

By : **Melody Heck Gatto**

This novella was previously published in the Hockey Holidays Anthology in November 2018. Avery James was finally getting her life together after an ugly break-up. It had taken almost an entire year, but she could finally see the light at the end of the tunnel. The Pink Ribbon Cupcakery was busy with orders for Christmas cookies, holiday cupcakes, and preparing for the local orphanage's annual Christmas Eve party. She was enjoying the busy holiday season. When she came face to face with her one-night stand from last New Year's Eve, her jolly mood came to a crashing halt. Literally. In his brash, self-important, smug way, Kyler Wilson flirted his way into her life, her bakery, and her heart. Her brain wanted her to square off her shoulders and tell him that this was her bakery, and her rules, and that he could save the smooth talking for some other girl, because she wasn't ready to be hurt by love again. However, her heart seemed to be in charge. Her legs felt like they were going to crumble each time hockey-boy flashed a grin. It wasn't that she didn't find him deliciously handsome and irresistible, but after being so vulnerable at the hands of her former fiancé, she never wanted to be in that position again. She'd be damned if she was going to swoon like a groupie. Even though tall, dark and handsome Kyler made her weak in the knees with every smoldering look. The deep rumble of his voice sent her heart a flutter. His kisses were pure heaven, and his rock-hard body had her craving more. Kyler could see right through the sugary sweet baker. She wanted him. But then again, what girl didn't? But unlike the usual bunnies that fell at his feet, she was one tough-cookie. And the challenge of breaking through that defensive outer shell was riveting. A year ago, a bottle of tequila helped him get a glimpse of the fun, and free-spirited Avery, and he was on a mission to find that girl again.

The answer to that question belongs to Lily Briscoe: Lily doesn't have to get married because she has her work. She can see the Lighthouse, but instead of trying to get there, instead of trying to fit herself into a traditional womanly or maternal role, she paints the scene in front of her. She uses her art to represent the essence of the Lighthouse without actually having to be part of everything it represents. Lily basically marries her art, so there's no cause for Summary of the Novel To the Lighthouse is divided into three sections. The first section, The Window, takes up over half the book. In this section, we are introduced to all of the characters and become caught up in the web of relationships at the Ramsay's summer home. We see a day unfold with the promise of a trip to the Lighthouse (which never takes place), creating an underlying tension during the day. As the day unfolds, we see each of the characters from multiple perspectives. The Lighthouse. What does it mean then, what can it all mean? Lily Briscoe asked herself, wondering whether, since she had been left alone, it behoved her to go to the kitchen to fetch another cup of coffee or wait here. What does one send to the Lighthouse indeed! At any other time Lily could have suggested reasonably tea, tobacco, newspapers.
