Adopting English books as learning tools can help you reach English fluency faster than ever before. Take a trip to your local library and see what a difference a few good books can make! The Benefits of Reading English Books. "The more that you read, the more that you'll know. The more that you know, the more places you'll go." If you love to read, but you're a little afraid of reading a full-on novel in English, don't worry. We're going to help you get there, step by step. With every book you read, the more you'll improve.
