At some times of the year, you can even enjoy a natural jacuzzi in one of the rock pools beside the falls. No permanent structures are allowed on the island — everything has to be removed when you leave. The travel brochures say it’s the world’s most exclusive picnic spot.

Geoff Brown wonders whether film music can ever be regarded as art. No one can claim such mastery of the fantasy blockbuster sound as British film music composer John Williams. It’s a style of music he did much to define in Star Wars and then for many other films for the director Steven Spielberg. There are distinctive melodies which give the feeling of flying, snatches of music to represent different characters, and intricate illustrative details.
