Jewish High School for five years before coming to USC in August, 2007.
American popular music had a profound effect on music across the world. The country has seen the rise of popular styles that have had a significant influence on global culture, including ragtime, blues, jazz, rock, R&B, doo wop, gospel, soul, funk, heavy metal, punk, disco, house, techno, salsa, grunge and hip hop. In addition, the American music industry is quite diverse, supporting a number of regional styles like zydeco, klezmer and slack-key. The appeal of these styles lies in their supple, energetic rhythms, their appealing vocal lines, and in many cases their symbolic associations wi
1000 Years of Popular Music is a 2003 live album by Richard Thompson. The album was originally conceived after Richard Thompson, along with many other artists, was asked by Playboy magazine to nominate his choice of the best songs of the last 1000 years. He took them exactly at their word and served up a list that included the oldest-known English-language songs, a medieval Italian dance tune and various other folk songs alongside slightly more contemporary fare. The list was never published by
