Asking About Sex & Growing Up

By Joanna Cole
Genre : Health

Release Date : 2009-11-24

Asking About Sex & Growing Up by Joanna Cole is Health What do you want to know about sex? Information about sex is everywhere. But what you learn from TV, movies, the internet, and friends is not always a healthy or accurate view of sexuality. Now revised and updated with current facts, Joanna Cole's Asking About Sex & Growing Up is the perfect book to provide answers to questions about sex. Writing especially for preteens, the author uses a question-and-answer format to offer straightforward information on a wide variety of subjects related to sex and puberty.

Alcohol Addiction: Not Worth the Buzz

By: Ida Walker
What's wrong with a beer now and then? Or a glass of wine with dinner? For most people—of legal age—there's absolutely nothing wrong with having an occasional drink. But for others, those with drinking problems, there's no such thing as an occasional drink. For them, one drink leads to another and another and another. . . . Alcohol Addiction: Not Worth the Buzz provides you with important information about alcohol addiction (alcoholism) and other drinking problems. You will learn about the history of alcohol use and early attempts to curb drinking, how alcohol affects the brain, and the effects it has on the body in the long and short term. This book also provides information on how individuals with alcohol problems can get help. Through first-person stories, you will learn how alcohol personally affected the lives of young people, and how they did not let alcohol addiction defeat them.

This Moment Is Your Life (and So Is This One)

By: Mariam Gates
This lively, hands-on guide to meditation, mindfulness, and yoga is a perfect introduction for tweens and teens. Don't just do something, be here. The key to happiness is being able to find comfort in this moment, here and now. When you are completely present and not distracted by regrets, worries, and plans, even for a little while, you begin to feel more confident and can deal more easily with everything you experience. This is mindfulness: paying attention to this very moment, on purpose and without judgment--simply being present with curiosity. This engaging guide, packed with simple exercises and endearing full-color artwork, provides a handy starting point for bringing mindfulness into your daily life. Chapters on meditation, yoga, and mindful breathing explain the benefits of these practices, and you are free to pick and choose what to try. There are quick exercises
throughout, and a more extensive tool kit at the end of each chapter. The final chapter offers satisfying five-day challenges that map out ways to pull all of the book's mindfulness techniques together in your day-to-day life. With the appeal of a workbook or guided journal, and full of examples relevant to tweens and teens today, this book will be your trusted companion as you begin the valuable, stress-relieving work of being still with skill.

La fiesta del siglo

By: Rodolfo Tercero
Un libro con todo lo que los adolescentes y jóvenes tienen que saber sobre las fiestas, el alcohol y los antros, para pasarla bien y disfrutarlos sin riesgo. Conocer qué es y cómo interactúa el alcohol en su vida, lejos de intimidarlos, los llenará de seguridad para saber qué tanto quieren que forme parte de ellos y les ayudará a tomar decisiones adecuadas cuando se trate de “echar un trago”. En este libro encontrarás: Qué es el alcohol y cómo lo reciben tus órganos; cómo saber qué tomar, cómo administrar el tiempo entre las bebidas, cómo mezclar, cuándo parar; mitos y realidades acerca de las bebidas alcohólicas, los ebrios y las borracheras; información para salvar tu vida o la de otros; tips, soluciones, ideas, trucos, realidades y verdades para que vivas una noche de fiesta con la seguridad de que regresarás a casa a salvo; todo lo que no te animas a preguntarle a tus papás y que los expertos saben sobre el tema. En fin, todo lo que puede pasar, pasa y ha pasado en el reventón cuando se combina éste con el alcohol.

Las tres reglas que cambiaron todo

By: Edmée Pardo
Esta familia se topó con un grave problema: mamá enfermó de cáncer. Pero, gracias a las reglas que propuso, la dinámica familiar se vio transformada, así como la actitud de cada integrante frente a la vida y los demás.

From Nothing to All

By: Ka Rose
Ka’Rose had everything she could ask for and was content with her life. Planning, dreaming, and experiencing life at such a young age everything was perfect. She had it all, what could go wrong?
Growing up, with help. Us and Them by David Sedaris. Because they had no TV, the Tomkeys were forced to talk during dinner. We wouldn't have sex, but we would have crushes on each other. A Boy's Life by Hanna Rosin. Since he could speak, Brandon, now 8, has insisted that he was meant to be a girl. This summer, his parents decided to let him grow up as one. The Overprotected Kid by Hanna Rosin. A preoccupation with safety has stripped childhood of independence, risk taking, and discovery--without making it safer. The best essays about growing up and articles about growing up. Great essays on growing up and articles on growing up. Teenagers. The Terrible Teens by Elizabeth Kolbert. What the hell is up with teenagers? The Siege of Fulton Avenue by David Amsden. Is growing up slowly good or bad? Life history theory explicitly notes that slow and fast life strategies are adaptations to a particular environment, so each isn't inherently "good" or "bad." Likewise, viewing the trends in teen behavior as "good" or "bad" (or as teens being more "mature" or "immature," or more "responsible" or "lazy") misses the big picture: slower development toward adulthood. It's definitely a good thing that fewer teens are having sex and drinking alcohol. But what about when they go to college and suddenly enter an environment where sex and alcohol are rampant? For example, although fewer 18-year-olds now binge-drink, 21- to 22-year-olds still binge-drink at roughly the same rate as they have since the 1980s. Has your child started asking questions about sex? If so, it's time to grab one of these sex education books and enlighten him. Author Joanna Cole uses a question-and-answer format in Asking about sex and growing up to offer straightforward information on subjects related to sex and puberty. Cost: What is happening to my body: ₹ 1,026 | Let's talk about sex: ₹ 13,914 Asking about sex and growing up: ₹ 896. As a parent you could have a hard time dealing with discussions on issues of sex and puberty. But if you take the help of visual media and some well-written and informative books, you could crack the code for how to talk to your child about sex. If you have any insights, questions or comments regarding this article on
