The War Of The Doomed: Jewish Armed Resistance In Poland, 1942-1944

Shmuel Krakowski

Although much of the material in this book appears to be of historical value, some of it is clearly contrary to historical facts and appears to reflect a Polonophobic prejudice on the part of author. For instance, the murder of Jews hiding from the Germans by members of the Polish guerrillas is mentioned, but not the fact that these murderers were court-martialed by the Polish underground and executed.
