In Wind in the Tower, Han Suyin concludes the epic story of China's long... I think the book has too strong of a tendency to shift the blame for the excesses of the Cultural Revolution onto Lin Biao- with that said, I do Incredibly detailed and extensively cited, Suyin's work traces the development of China starting from directly after the People's Liberation War in '49 up until '75, when the book was written. While in my opinion the first half of the book, covering 1949-1961, is beyond reproach, it is in the second half where I took issue with more of what was written.
