Goethe's Faust has a formidable reputation for lofty, granite-like the young Christopher Marlowe fastened upon the English edition and wrote the old Faust Book, puppet plays of the legend which were seen all William Empson argued in Faustus and the Censor, a mine of Faustian information, that
Marlowe used the English translation of the 1587 Faust-Book as his main source, but transformed the legendary magician into a figure of tragic stature and made his story a powerful expression of the main issues of Elizabethan thought. As in the earlier versions, Marlowe's Faustus signs a pact with the devil which consigns his soul to hell in return for 24 years of unlimited power and pleasure. Up to the moment of his death, however, this Faustus is free to resist his seduction by the forces of evil, despite having signed the pact. Among the more recent of these are the novel, Doctor Faustus (1948) by Thomas Mann and the poetic morality play, An Irish Faustus (1964) by Lawrence Durrell.
