Western America: Earl. Golden West Airlines was a commuter airline that operated flights on a high volume
schedule in. Headquarters, Long Beach, California, United States Because of Californias growth and tourist appeal,
Golden West was able to become United Airlines, Western Airlines, Wien Air Alaska and other air carriers.

The Western United States—commonly referred to as the American West or simply The West—traditionally refers to the region comprising the westernmost states of the United States. Since the United States has expanded westward since its founding, the definition of the West has evolved over time. The Mississippi River is often referenced as the easternmost possible boundary of the West. The "West" played an important part in American history and is embedded in America's folklore. As defined by the Census Bureau, the western United States includes 13 states: Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, and Wyoming. Geography.
