Books To Help Children Cope With Separation And Loss: An Annotated Bibliography

Masha Kabakow Rudman Joanne E Bernstein Kathleen Dunne Gagne

CHILDREN COPE WITH PROBLEMS The use of literature to help children cope with problems can be an important part of teaching. Through literature, children can understand that they are not alone in encountering problems. In using literature to help children cope with problems, teachers recognize that children today encounter many problems and they can then better understand and relate to children's feelings about these problems. Teachers can guide children in discussing their problems more freely.
