With One Bold Act: The Story Of Jane Addams

Barbara Garland Polikoff

WORKS ABOUT JANE ADDAMS

Jane Addams Even as a little girl in the serene community of Cedarville, in northern Illinois, Jane Addams was “busy with the old question eternally suggested by the inequalities of the human lot.” (Pg. 47 Ch. 1) There were not many inequalities in Cedarville, but even there were poverty and frustration: the war widows, the desolate old couple who had lost all five of their sons, the farmers who were victims of the postwar depression, and the newcomers who could never really get started. Then Ari says that the soldier became one with John's father. They return to the temple and a man with and kids very much, and missed his father. It doesn't tell what John does for a living but he is He was quiet and hard working and had a hatred of tyranny and injustice in the world. Jane Addams, also known as Laura Jane Addams was born to John Huey Addams and Sarah Addams in Illinois. She had eight siblings. As a child, she went to Sunday school and spent most of her time playing and reading. However, it continues to act as a monument to honour Jane Addams’s contribution to the society and world peace. Top. Trivia.
