Try on an opinion or two, start a debate, or play the devil’s advocate. Coming of age is essentially the purpose of the Hero's Journey, a microcosm of the whole thing. Coming of age is just one step on the Journey: a dry run to prepare you for other challenges. BACK. NEXT. A coming-of-age is a genre that focuses on psychological and moral growth of a main character who is growing from youth to adulthood. Coming-of-age stories tend to emphasise dialogue or internal monologue over action. They are often set in the past. The main characters of coming-of-age stories are typically teenagers. Almost without exception, coming of age stories are about the transition from adolescence to adulthood, from being defined by family or society to defining oneself. The main character is somewhere between 10-years-old (Elliott in E.T.) and late teens (the four heroes of American Graffiti). However, sometimes an adult main character is emotionally delayed.
