Olga Nenya is an extraordinary woman, and that much is obvious once you’re ten minutes into Julia Ivanova’s documentary Family Portrait in Black and White. By the end of the film, you’ll certainly feel the same way, but what else you may think about her is an open question. Nenya’s story is at the heart of this movie, but while she’s clearly doing...read more. I do love myself a good black and white portrait. There is something special about black and white imagery which has the ability to cut through all the baggage and display both the inner beauty and turmoil which can be so easily hidden away by color photography. That’s not to say emotion and/or mood cannot be captured with a color photograph. Given the chance, however, when looking at two portraits side by side, nine times out of ten, the black and white portrait will hit me in a place where the color photograph just cannot reach. When I first started shooting fashion, I was all about color. African Americans who shook up the world Intro by Kevin Merida / Portraits by Robert Ball. This is a list of The Undefeated 44, a collection of dreamers and doers, noisy geniuses and quiet innovators, record-breakers and symbols of pride and aspiration.
