Small towns harbor many secrets. And secrets can make a great addition to novels. Why are there secrets in small towns? Because, if your secret becomes public knowledge, the repercussions are huge and your problem is amplified. Everyone knows your secret. The small town itself might be a little isolated with the nearest town some distance away. This can add an extra dose of tension to your book. If there's a killer knocking out characters in this small community one by one, it can really heighten the urgency of solving the case.
