Myra Hindley, photographed by Ian Brady at an unknown location. In her 1988 book on the Moors murders, Myra Hindley: Inside the Mind of a Murderess, author Jean Ritchie writes that Hindley grew up in a repressive, impoverished household, where her father regularly beat her and encouraged her to use violence to solve conflicts. In 1961, when she was just 18 years old and working as a typist, Hindley met Brady. Hindley and Brady found 10-year-old Lesley Anne Downey alone at a fair, and convinced her to help them unload some groceries from their car. They then took her to Hindley’s grandmother’s house. This is the one book to provide fascinating, detailed insight into the mind of one of the most notorious serial killers in British criminal history and the truth, at last, about Myra Hindley. Most murderers, even those who become household names, serve their time with little mention in the press once their trial is over. Yet Ian Brady has often been described as ‘the most evil man alive’ or ‘the Daddy of the devils’, while the photograph of Myra Hindley taken at the time of her arrest made her an instantly recognisable icon of evil and the most hated woman in Britain. About the Author. DR ALAN KEIGHTLEY first approached Ian Brady after being prompted to do so by the parents of one of the victims.
