Above Suspicion

By : Joe Sharkey
The “expertly told” true story of an FBI agent’s affair that leads to murder in Kentucky coal country—soon to be a major motion picture starring Emilia Clarke (Publishers Weekly). When rookie FBI agent Mark Putnam received his first assignment in 1987, it was the culmination of a lifelong dream, if not the most desirable location. Pikeville, Kentucky, is high in Appalachian coal country, an outpost rife with lawlessness dating back to the Hatfields and McCoys. As a rising star in the bureau, however, Putnam soon was cultivating paid informants and busting drug rings and bank robbers. But when one informant fell in love with him, passion and duty would collide with tragic results. A coal miner’s daughter, Susan Smith was a young, attractive, struggling single mother. She was also a drug user sometimes described as a con artist, thief, and professional liar. Ultimately, Putnam gave in to Smith’s relentless pursuit. But when he ended the affair, she waged a campaign of vengeance that threatened to destroy him. When at last she confronted him with a shocking announcement, a violent scuffle ensued, and Putnam, in a burst of uncontrolled rage, fatally strangled her. Though he had everything necessary to get away with murder—a spotless reputation, a victim with multiple enemies, and the protection of the bureau’s impenetrable shield—his conscience wouldn’t allow it. Tormented by a year of guilt and deception, Putnam finally led authorities to Smith’s remains. This is the story of what happened before, during, and after his startling confession—an account that “should take its place on the dark shelf of the best American true crime” (Newsday). Revised and updated, this ebook also includes photos and a new epilogue by the author.

Jack the Ripper
By : The Whitechapel Society
The latest research on the ultimate whodunnit by the world's leading society for Ripper studies The Whitechapel Murders of 1888 remain unsolved and hundreds of theories have been suggested as to the killer's identity. However, many of the suggestions naming the infamous Ripper remain ill-informed and ludicrous, until now. The authors of this book are all members of The Whitechapel Society, the world's largest organization for the study of Jack the Ripper. Each has spent many years researching a particular suspect and the results of their latest, cutting-edge investigations are published here for the first time. Based on indisputable facts and concrete evidence, the cases put forward in this collection allow readers to decide exactly who they believe is the man behind the myth. With each chapter discussing a separate suspect in detail, this book is the ultimate guide to one of the most famous criminal investigations in history.

The Black Hand
By : Stephan Talty
Discover the truth about the Black Hand, as featured in Peaky Blinders Beginning in the summer of 1903, an insidious crime wave filled New York City, and then the entire country, with fear. The children of Italian immigrants were kidnapped, and dozens of innocent victims were gunned down. Bombs tore apart tenement buildings. Judges, senators, Rockefellers, and society matrons were threatened with gruesome deaths. The perpetrators seemed both omnipresent and invisible. Their only calling card: the symbol of a black hand. The crimes whipped up the slavering tabloid press and heated ethnic tensions to the boiling point. Standing between the American public and the Black Hand’s lawlessness was Joseph Petrosino. Dubbed the “Italian Sherlock Holmes,” he was a famously dogged and ingenious detective, and a master of disguise. As the crimes grew ever more bizarre and the Black Hand’s activities spread far beyond New York’s borders, Petrosino and the all-Italian police squad he assembled raced to capture members of the secret criminal society before the country’s anti-immigrant tremors exploded into catastrophe. Petrosino’s quest to root out the source of the Black Hand’s power would take him all the way to Sicily—but at a terrible cost. Unfolding a story rich with resonance in our own era, The Black Hand is fast-paced narrative history at its very best.

Edward Gein, le psycho
By : Gilbert Gallerne
BOULEVERSANT. INCROYABLE. CHOQUANT. IL DEPEÇAIT SES VICTIMES COMME DES BÊTES ET IL DETERAIT DES CADAVRES. Meurtrier, pilleur de tombes, nécrophile et anthropophage, Edward Gein attirait la sympathie de ses voisins, qui plaçaient plutôt le vieux garçon resté seul après la mort de sa mère. Dans la maison de l’horreur, on retrouverait les restes de quinze corps différents : des organes féminins dont il s’affublait dans son monstrueux désir de transformation sexuelle. On ose à peine imaginer le dégout et l’effroi rétrospectifs de ceux à qui il apportait des pièces de "gibier"... "Psychose" d'Alfred Hitchcock et "Massacre à la tronçonneuse" de Hopper, c'est lui. Un document qui ne laisse pas indemne.

Die, Grandpa, Die
By : Dale Hudson
Missing Boy On November 28, 2001, in Chester County, South Carolina, police made a grisly discovery. Joe Pittman, 66, and his wife Joy, 62, had been brutally slain with a .410 shotgun and their house set afire with the bodies inside. Their black Nissan Pathfinder was missing. So was their 12-year-old grandson, Christopher Pittman. What had become of the boy? Was he still alive—and if so, for how long? The clock was ticking and time was running out. Bad Seed Christopher was found safe and sound in a neighboring county. But relief turned to suspicion as he told an improbable tale of a
black man who'd killed his grandparents and kidnapped him. Eventually, Pittman confessed to the slayings and to fleeing in the SUV. In February 2005, he was tried as an adult. Defense lawyers claimed Pittman had been unhinged by the prescription drug Zoloft. It would be up to a jury to decide whether the boy who killed would have to face a man's punishment. . . 16 pages of shocking photos Dale Hudson is the author of Dance of Death and coauthor of An Hour to Kill: Love, Murder and Justice in a Small Southern Town and A Reason to Live: The True Story of One Woman's Love, Courage and Determination to Survive. He lives in Myrtle Beach, South Carolina.

**Women Who Kill (Serial Killers Series)**

*By : RJ Parker*

WARNING: this book is NOT for the faint of heart! It depicts realistic violence with vile and malicious activities, and delve into the darkness of the human heart and mind. When we hear about a Serial Killer, we never consider the sex, we would immediately assume a man...right? but that's not always the case! Females are for the most part, the loving and caring protectors of our species and the ones that are more susceptible to danger. However, they are in fact the most dangerous because they are the least suspected of the Serial Killers. Like their male counterparts, they show no remorse and have no mercy for their victims. Should we still call them the weaker sex? "Women Who Kill is a journey into the minds of female serial killers--their motives, their acts, their thought process. Parker gives an overview and then delves into various stories about individual killers. I found myself horrified but also completely captivated." - Bestselling author, Michele Scott Women Who Kill explains and defines the various types of Female Serial Killers and contains over twenty criminal dossiers, including: Gertrude Baniszewski Margie Barfield Martha Beck Lizzie Borden Judias Buenoano Christine Fallong Caril Ann Fugate and Charles Starkweather (Couple) Delfina and Maria de Jesus Gonzalez (Sisters) Karla Homolka and Paul Bernardo (Wife and Husband) Dorothea Puente Marybeth Tinning Rosemary and Fred West (Wife and Husband) "If you're looking for some gruesome, real-life stories of deadly women, look no further. Parker has collected, and documented, tales of murder and mayhem from the, uh, fairer sex. Hard to believe some people can do such heinous acts. A mind-boggling collection" - Alan Orloff

**Serial Killers: Burke and Hare**

*By : Quik eBooks*

Because sometimes our brains just need to nibble ... It's like food, occasionally you need a three-course meal, other times just a snack will do. Quik eBooks are like the cocktail sausage of the eBook world; short, tasty and perfect when you're on the go. They were paid seven pounds ten shillings for the corpse. It was also a lot of money and Burke and Hare were understandably very excited. Hare was particularly pleased because the sum was about twice what the dead man owed him. This success was to be the start of a hideous roller-coaster of greed, cruelty and random killings.. Read about the infamous Edinburgh body snatchers in this Quik eBook.

**Serial Killers: Compulsion to Kill**

*By : Bill Wallace*

The judge who led the case against Britain's most prolific serial killer, Dr Harold Shipman, speculated that his horrific crimes were intrinsically linked to his addictive personality. According to Dame Janet Smith, it is possible that drug-addict Shipman had such a morbid compulsion to kill that he simply could not stop. Shipman is not alone, however. Read about insane murderers such as Richard Trent Chase - the vampire of Sacramento, Andrei Chikatilo and Pedro Alonso Lopez in Serial Killers:Compulsion to Kill along with many other spine-chilling accounts of the world's most evil mad maniacs.   Contents: William 'The Mutilator' MacDonald, Andrei Chikatilo, Pedro Alonso Lopez, The Green River Killer, Herman Mudgett, Pee Wee Gaskins, Gerald Eugene Stano, John Wayne Gacy, Ted
Bundy, Richard Trenton Chase, Anatoly Onoprienko, Dr Harold Shipman.

**The Hacker Crackdown - Law and Disorder On the Electronic Frontier**

By: Bruce Sterling

The book discusses watershed events in the hacker subculture in the early 1990s. The most notable topic covered is Operation Sundevil and the events surrounding the 1987-1990 war on the Legion of Doom network: the raid on Steve Jackson Games, the trial of "Knight Lightning" (one of the original journalists of Phrack), and the subsequent formation of the Electronic Frontier Foundation. The book also profiles the likes of "Emmanuel Goldstein" (publisher of 2600: The Hacker Quarterly), the former Assistant Attorney General of Arizona Gail Thackeray, FLETC instructor Carlton Fitzpatrick, Mitch Kapor, and John Perry Barlow.

**Ghettoside**

By: Jill Leovy

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE, USA TODAY, AND CHICAGO TRIBUNE • A masterly work of literary journalism about a senseless murder, a relentless detective, and the great plague of homicide in America NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • The Boston Globe • The Economist • The Globe and Mail • BookPage • Kirkus Reviews

On a warm spring evening in South Los Angeles, a young man is shot and killed on a sidewalk minutes away from his home, one of the thousands of black Americans murdered that year. His assailant runs down the street, jumps into an SUV, and vanishes, hoping to join the scores of killers in American cities who are never arrested for their crimes. But as soon as the case is assigned to Detective John Skaggs, the odds shift. Here is the kaleidoscopic story of the quintessential, but mostly ignored, American murder—a “ghettoside” killing, one young black man slaying another—and a brilliant and driven cadre of detectives whose creed is to pursue justice for forgotten victims at all costs.

Ghettoside is a fast-paced narrative of a devastating crime, an intimate portrait of detectives and a community bonded in tragedy, and a surprising new lens into the great subject of why murder happens in our cities—and how the epidemic of killings might yet be stopped. Praise for Ghettoside “A serious and kaleidoscopic achievement . . . [Jill Leovy is] a crisp writer with a crisp mind and the ability to boil entire skies of information into hard journalistic rain.” —Dwight Garner, The New York Times “Masterful . . . gritty reporting that matches the police work behind it.” — Los Angeles Times “Moving and engrossing.” — San Francisco Chronicle “Penetrating and heartbreaking . . . Ghettoside points out how relatively little America has cared even as recently as the last decade about the value of young black men’s lives.” — USA Today “Functions both as a snappy police procedural and—more significantly—as a searing indictment of legal neglect . . . Leovy’s powerful testimony demands respectful attention.” — The Boston Globe
