When we look at the imbalances regarding women in the social record, we are not simply gleaning information about the status of women: we are getting clues about general imbalances within society at large. For this reason, students, professionals, and practitioners alike will find The Underside of History to be an invigorating intellectual exercise and an essential addition to their libraries. "It is a classic, in all meanings of the word. This book contains a lot of important information and shows us how to re-vision history and historical data. It won't 'scare' men or new
