The Oratory Of Southern Demagogues

Cal M Logue Howard Dorgan

The demagogues’ charisma and emotional oratory many times enabled them to win elections despite opposition from the press. The news media informs, and often the information is damaging to demagogues. Demagogic oratory distracts, entertains, and enthralls, steering followers’ attention away from the demagogue’s usual history of lies, abuses of power, and broken promises. The advent of radio enabled many 20th-century.
