Christian Theology - Special Revelation Christian theology asserts that God has revealed Himself to people in a general way through creation and in a special (personal) way evidenced by His divine words and acts contained in the Bible and especially in the person of Jesus Christ. Millard Erickson defines the two forms of revelation this way: On the one hand, general revelation is God's communication of Himself to all persons, at all times, and in all places. Many discover God through the general revelation of a structured universe; many more encounter God in the general revelation of the purposeful nature of reality. C.E.M. Joad, who was an atheist for much of his professional career, shortly before his death wrote a book entitled The Recovery of Belief.
