Longwood Gardens, Kennett Square, founded in 1906 by Pierre S. du Pont is a piece of heaven. Sheltering you from the hustle and bustle of the city that is Philadelphia yet only an hours drive, we've been invited to enjoy a private dinner with the English lighting artist Bruce Munro and take a tour of his first US garden installation; LIGHT. Heading outside, around the gardens, we come across Arrow Spring where 16 stainless steel spheres lit-up the walkway. Across the small lake was Field of Light. We all let out a gasp and, abruptly, our chitter-chatter stopped. All materials will be recycled or reused in his future installations such as his ambitious Field of Light project. Lighting, Installations, Art, Nature, Gardens, Philadelphia, Design. Once the country estate of industrialist Pierre S. du Pont, Longwood is famous for its superb grounds that include elaborate fountains, two lakes, meadows, woodlands, 20 outdoor formal and informal gardens and a conservatory. The Peirce-du Pont House, occupied by du Pont until 1954, contains an exhibit tracing the 300-year historical and horticultural evolution of Longwood Gardens through photographs, artifacts, video and family home movies. Fountains, a water lily display and more than 11,000 types of plants are the main summer outdoor attractions. Masses of flowering plants adorn the 4-acre
