Women writers were not uncommon at the time, but Evans's role at the head of a literary enterprise was. The mere sight of an unmarried young woman mixing with the predominantly male society of London at that time was unusual, even scandalous to some. Although clearly strong-minded, she was frequently sensitive, depressed, and crippled by self-doubt. She was considered to have an ill-favoured appearance,[5] and she formed a number of embarrassing, unreciprocated emotional attachments, including that to her employer, the married Chapman, and Herbert Spencer. Several key buildings in her birthplace of Nuneaton are named after her or titles of her novels. For example George Eliot Hospital, George Eliot Community School and Middlemarch Junior School. Writing. George Eliot was an English poet and novelist. Check out this biography to know about her childhood, family life, achievements and other facts related to her life. Since women writers were quite uncommon that time, her role as an editor was seen as quite unusual by most people. Before her relationship with George Lewes, she had several embarrassing, unreciprocated attachments, including one with John Chapman and another one with Herbert Spencer. Top.
