Just as Marxism is a reactionary commentary and critique of capitalism, Marxist film theory critiques the Hollywood narrative. The Soviet. "â€” Presentation transcript: 1 Soviet Montage. 2 Just as Marxism is a reactionary commentary and critique of capitalism, Marxist film theory critiques the Hollywood narrative. The Soviet Montage movement began in 1924/25 and ended at 1930. During the Montage movement's existence, perhaps fewer than thirty films were made in the style. Kuleshov's experiments were showing how important editing is and he developed the central idea to the Montage theory and style. 5 Lenin saw cinema as the most important art, most probably because it is an effective medium for propaganda and education.
